

Press Releases

- Sep 23, 2024** [New DECHEMA/VDI paper: When to go for modular plants concepts?](#)
The DECHEMA/VDI Working Groups Cost Engineering and Modular Plants provide definitions, evaluation criteria, and examples for the economic and qualitative assessment of different plant construction concepts in the paper...
- Sep 20, 2024** [Nina Hartrampf receives the German Chemical Biology Lectureship 2024](#)
Nina Hartrampf, Assistant Professor for "Next Generation Synthesis" at the Department of Chemistry at the University of Zurich, receives the German Chemical Biology Lectureship 2024.
- Jul 24, 2024** [Solutions to close the cycle on rigid foams - CIRCULAR FOAM presents the latest results at ACHEMA 2024](#)
The latest developments in chemical recycling processes for the plastics industry were discussed in a series of stage contributions at ACHEMA 2024
- Jul 23, 2024** [The ISC3 has selected it`s finalists for the Innovation Challenge in Sustainable Chemistry and Textiles](#)
A jury of 23 international experts selected the five finalists.
- Jul 04, 2024** [Alwin Mittasch Prize 2025: Nominate candidates now](#)
You now have the opportunity to submit nominations for the Alwin Mittasch Prize 2025.
- Jul 01, 2024** [Green Hydrogen Production in Namibia – Current Report available](#)
The project Green-H2 Namibia released a report that offers an overview of the country's ambitions and potentials of becoming a major producer of green hydrogen. Moreover, the report outlines hydrogen demands and production...
- Jun 21, 2024** [Final Report ACHEMA 2024](#)
Record internationality, record attendee numbers at the congress, satisfied exhibitors
- Jun 14, 2024** [ACHEMA 2024 sets the tone for a more sustainable and competitive process industry](#)
At ACHEMA 2024, the world's leading trade show for the process industries, 2,842 exhibitors from 56 nations showed 106,001 participants from 141 countries the latest equipment and innovative processes for the chemical,...
- Jun 13, 2024** [ACHEMA plaque in titanium awarded to Clemens Schmees, CEO of Schmees cast](#)
- Jun 12, 2024** [On to the top of the the podium with textile recycling: re.solution wins ACHEMA Start-up Award 2024](#)
The winner of the ACHEMA Start-up Award 2024 is re.solution. The start-up recycles textiles containing polyester using a chemical process with renewable energy and low water and chemical consumption. With their innovation...
- Jun 11, 2024** [STEM skills shortage jeopardizes our prosperity – position paper to be presented at ACHEMA in Frankfurt](#)
The position paper "STEM skills shortage jeopardizes our prosperity" calls on industry, science and politics to take joint action to combat the shortage of skilled workers in the STEM sector. On 12 June 2024, 13:30 h, the...
- Jun 10, 2024** [ACHEMA Opening Press Conference: World Forum for the Process Industries more international than ever before](#)
- Jun 10, 2024** [ACHEMA Opening: Strong call for international cooperation](#)
At the ACHEMA Opening on 10 June 2024 German Federal Minister for Economic Affairs and Climate Action, Dr Robert Habeck, and thought leaders from the financial sector, the chemical industry and suppliers pointed out how the...
- Jun 03, 2024** [BioSPRINT Project Concludes with Significant Achievements for Biorefining Technology](#)
During the final General Assembly meeting at the Leuna Chemical Complex, the project partners presented results of the final project phase.
- May 22, 2024** [Sustainable Chemistry innovations for the process industry - ISC3 presents innovative solutions of fourteen start-ups at ACHEMA](#)
"ISC3 and Friends Slam" at the ACHEMA EY Green Innovation Stage
- May 03, 2024** [What kind of infrastructure will the hydrogen economy need by 2050?](#)
Find some answers in the latest white paper from the BMBF's hydrogen flagship project TransHyDE System Analysis, coordinated by Fraunhofer IEG and DECHEMA e.V.

- Apr 26, 2024** [ACHEMA 2024 will be more international than ever](#)
Just over a month before ACHEMA 2024 opens on 10 June, one thing is already clear: with more than 60 percent of exhibitors coming from abroad, this year's leading trade show for the global process industry will be the most...
- Apr 15, 2024** [Possibilities to capture and utilize carbon dioxide for sustainable production routes](#)
This DECHEMA report elaborates on point sources and state-of-the-art capture methods.
- Mar 25, 2024** [ACHEMA 2024 showcases solutions for a more sustainable and resilient process industry](#)
In June, Frankfurt will once again be the centre of the chemical, pharmaceutical and biotechnology industries: The 34th ACHEMA will be opened by the German Federal Minister for Economic Affairs Robert Habeck on June 10. The...
- Mar 07, 2024** [EU project CORNERSTONE supports long-term circular economy of european industry](#)
the CORNERSTONE consortium want to achieve long-term circular economy of EU industry via recycling and reusing resources from industrial water and wastewater streams.
- Feb 29, 2024** [ACHEMA 2024: Multifaceted lecture programme for the world of the process industry](#)
ACHEMA 2024 will once again fully integrate the lecture and supporting programme with the exhibition. In 2022, ACHEMA integrated the congress and the so-called Innovation Stages into the exhibition for the first time. Due to...
- Feb 27, 2024** [ACHEMA Start-up Award: Ten start-ups that want to change the process industry](#)
Sustainability and digitalization are megatrends that are not only shaping the process industry as a whole, but also the list of finalists for this year's ACHEMA Start-up Award. For the fourth time, DECHEMA, High-Tech...
- Feb 07, 2024** [AMIGDALA - plotting pathways towards sustainable industrial production](#)
Integrated modelling informs decision-making to transform the European industry
- Feb 06, 2024** [Otto Roelen Medal for Lutz Ackermann, Georg August University of Göttingen /Germany](#)
It is endowed with 5,000 Euros and honours outstanding scientific achievements in the field of catalysis, which also have a strong industrial relevance.
- Feb 06, 2024** [Jochen Block Award 2024 for Tanja Franken, Friedrich-Alexander-University Erlangen-Nuremberg](#)
The Jochen Block Award honours the achievements of young scientists and is endowed with 3,000 euros.
