11:00	Hall	CMF	CMF	CMF	CMF	CMF	CMF	CMF	CMF	CMF	Hall 4.0	Hall 4.2	Hall 3.0/4.0 West	Hall 11.0	Hall 9.1	11:00 AICHEMA-Gesundheits Care-Hilfen im Dialog Hall 11.1, Foyer-Nordwest 14:30 Lehrerfortbildung Hall 9.2, Room Dialog 15:00 AICHEMA-Mittagstisch Business Forum 18:00 Meet your friends Hall 9.2, DISCUSSION CORNER Panorama, Hall 11, Va		
13:30	Hall 4.0, Europa: Plenary lecture / Groot/Swinnen																	
15:00	Room changes: The sessions announced in the rooms Harmonie 1-5 will take place in the Hall Forum (please check the detailed programme in AICHEMA Daily)																	
Room	Panorama 1	Analog	Panorama 2	Panorama 3	Agenda													
Hall	FORUM	FORUM	FORUM	FORUM	FORUM													
10:30	Hall 4.0, Europa: Panel Discussion / Bioökonomie in der Shale-Gas-Falle?																	
12:30	Energy-efficient chemical multiphase processes	Industrial water management	Industrial water management and reuse	BiobasedWorld – Biorefinery platforms	International Powder and Nanotechnology Forum	Integrated chemical processes in liquid multiphase systems	Recovery of value from spent raw materials	Exchange of testing Labs	Managing corrosion with fluoropolymers	Electro-biotechnology	Microprocess engineering	Beyond compliance based process	Course: High performance energy efficient heat exchangers and their industrial applications	PRAXISforum Plant components				
15:00	Recent developments in industrial water management	Industrial water management	Industrial water management and reuse	BiobasedWorld – Biorefinery platforms	International Powder and Nanotechnology Forum	Integrated chemical processes in liquid multiphase systems	Recovery of value from spent raw materials	Exchange of testing Labs	Managing corrosion with fluoropolymers	Electro-biotechnology	Microprocess engineering	Beyond compliance based process	Course: High performance energy efficient heat exchangers and their industrial applications	PRAXISforum Plant components				
10:30	Developments in desalination	Industrial water management	Industrial water management and reuse	BiobasedWorld – Biorefinery platforms	International Powder and Nanotechnology Forum	Integrated chemical processes in liquid multiphase systems	Recovery of value from spent raw materials	Exchange of testing Labs	Managing corrosion with fluoropolymers	Reaction engineering	Risk assessment	Energy efficient processes	Thermal energy storage and recovery	Reaction engineering	BiobasedWorld – Biorefinery platforms	Microprocess engineering	10:00 International Workshop „The Mem-Machine Interface“ Hall 11.1, Foyer-Nordwest 10:30 Investments in Brazil – opportunity or illusion? Hall 4.0, Room Europa 11:00 Chinese Lunch Reception Hall 11.1, Foyer-Nordwest 12:00 Chinese Lunch Reception Hall 4.0, Room Europa 13:00 SoMa-Workshop Hall 4.0, Room Europa 13:30 International Workshop „The Mem-Machine Interface“ Hall 11.1, Foyer-Nordwest	
13:30	Latest insight on membrane biorefineries	Industrial water management	Industrial water management and reuse	BiobasedWorld – Biorefinery platforms	International Powder and Nanotechnology Forum	Integrated chemical processes in liquid multiphase systems	Recovery of value from spent raw materials	Exchange of testing Labs	Managing corrosion with fluoropolymers	Reaction engineering	Risk assessment	Energy efficient processes	Thermal energy storage and recovery	Reaction engineering	BiobasedWorld – Biorefinery platforms	Microprocess engineering	10:00 International Workshop „The Mem-Machine Interface“ Hall 11.1, Foyer-Nordwest 10:30 Investments in Brazil – opportunity or illusion? Hall 4.0, Room Europa 11:00 Chinese Lunch Reception Hall 11.1, Foyer-Nordwest 12:00 Chinese Lunch Reception Hall 4.0, Room Europa 13:00 SoMa-Workshop Hall 4.0, Room Europa 13:30 International Workshop „The Mem-Machine Interface“ Hall 11.1, Foyer-Nordwest	
15:00	Pharmaceutical production	Pharmaceutical production	Pharmaceutical production	BiobasedWorld – Biorefinery platforms	International Powder and Nanotechnology Forum	Integrated chemical processes in liquid multiphase systems	Recovery of value from spent raw materials	Exchange of testing Labs	Managing corrosion with fluoropolymers	Reaction engineering	Risk assessment	Energy efficient processes	Thermal energy storage and recovery	Reaction engineering	BiobasedWorld – Biorefinery platforms	Microprocess engineering	10:00 International Workshop „The Mem-Machine Interface“ Hall 11.1, Foyer-Nordwest 10:30 Investments in Brazil – opportunity or illusion? Hall 4.0, Room Europa 11:00 Chinese Lunch Reception Hall 11.1, Foyer-Nordwest 12:00 Chinese Lunch Reception Hall 4.0, Room Europa 13:00 SoMa-Workshop Hall 4.0, Room Europa 13:30 International Workshop „The Mem-Machine Interface“ Hall 11.1, Foyer-Nordwest	
10:30	Pharmaceutical production	Pharmaceutical production	Pharmaceutical production	BiobasedWorld – Biorefinery platforms	International Powder and Nanotechnology Forum	Integrated chemical processes in liquid multiphase systems	Recovery of value from spent raw materials	Exchange of testing Labs	Managing corrosion with fluoropolymers	Reaction engineering	Risk assessment	Energy efficient processes	Thermal energy storage and recovery	Reaction engineering	BiobasedWorld – Biorefinery platforms	Microprocess engineering	10:00 International Workshop „The Mem-Machine Interface“ Hall 11.1, Foyer-Nordwest 10:30 Investments in Brazil – opportunity or illusion? Hall 4.0, Room Europa 11:00 Chinese Lunch Reception Hall 11.1, Foyer-Nordwest 12:00 Chinese Lunch Reception Hall 4.0, Room Europa 13:00 SoMa-Workshop Hall 4.0, Room Europa 13:30 International Workshop „The Mem-Machine Interface“ Hall 11.1, Foyer-Nordwest	
13:30	Pharmaceutical production	Pharmaceutical production	Pharmaceutical production	BiobasedWorld – Biorefinery platforms	International Powder and Nanotechnology Forum	Integrated chemical processes in liquid multiphase systems	Recovery of value from spent raw materials	Exchange of testing Labs	Managing corrosion with fluoropolymers	Reaction engineering	Risk assessment	Energy efficient processes	Thermal energy storage and recovery	Reaction engineering	BiobasedWorld – Biorefinery platforms	Microprocess engineering	10:00 International Workshop „The Mem-Machine Interface“ Hall 11.1, Foyer-Nordwest 10:30 Investments in Brazil – opportunity or illusion? Hall 4.0, Room Europa 11:00 Chinese Lunch Reception Hall 11.1, Foyer-Nordwest 12:00 Chinese Lunch Reception Hall 4.0, Room Europa 13:00 SoMa-Workshop Hall 4.0, Room Europa 13:30 International Workshop „The Mem-Machine Interface“ Hall 11.1, Foyer-Nordwest	
15:00	Pharmaceutical production	Pharmaceutical production	Pharmaceutical production	BiobasedWorld – Biorefinery platforms	International Powder and Nanotechnology Forum	Integrated chemical processes in liquid multiphase systems	Recovery of value from spent raw materials	Exchange of testing Labs	Managing corrosion with fluoropolymers	Reaction engineering	Risk assessment	Energy efficient processes	Thermal energy storage and recovery	Reaction engineering	BiobasedWorld – Biorefinery platforms	Microprocess engineering	10:00 International Workshop „The Mem-Machine Interface“ Hall 11.1, Foyer-Nordwest 10:30 Investments in Brazil – opportunity or illusion? Hall 4.0, Room Europa 11:00 Chinese Lunch Reception Hall 11.1, Foyer-Nordwest 12:00 Chinese Lunch Reception Hall 4.0, Room Europa 13:00 SoMa-Workshop Hall 4.0, Room Europa 13:30 International Workshop „The Mem-Machine Interface“ Hall 11.1, Foyer-Nordwest	
10:30	Pharmaceutical production	Pharmaceutical production	Pharmaceutical production	BiobasedWorld – Biorefinery platforms	International Powder and Nanotechnology Forum	Integrated chemical processes in liquid multiphase systems	Recovery of value from spent raw materials	Exchange of testing Labs	Managing corrosion with fluoropolymers	Reaction engineering	Risk assessment	Energy efficient processes	Thermal energy storage and recovery	Reaction engineering	BiobasedWorld – Biorefinery platforms	Microprocess engineering	10:00 International Workshop „The Mem-Machine Interface“ Hall 11.1, Foyer-Nordwest 10:30 Investments in Brazil – opportunity or illusion? Hall 4.0, Room Europa 11:00 Chinese Lunch Reception Hall 11.1, Foyer-Nordwest 12:00 Chinese Lunch Reception Hall 4.0, Room Europa 13:00 SoMa-Workshop Hall 4.0, Room Europa 13:30 International Workshop „The Mem-Machine Interface“ Hall 11.1, Foyer-Nordwest	
14:00	Closing Session, FORUM, Panorama 3
