Himmelfahrtstagung 2018 - Heterogeneities - A key for understanding and upscaling of bioprocesses in up- and downstream
7- 9 May 2018, Dorint Parkhotel Herrenkrug/Germany

Monday, 7 May 2018		Tuesday, 8 May 2018		Wednesday, 9 May 2018	
08:20	Welcome Address				
08:30	Seidel-Morgenstern	08:30	Delvigne	08:30	Poster Award Ceremony
Session 1: Substrate heterogeneities		Session 4: Product heterogeneities		Session 7: Open topic	
09:15	Pooth	09:15	Pommerehne		
09:45	Weiermüller	09:45	Dusny	09:00	Seidel
10:15	Coffee Break	10:15	Coffee Break	09:20	Fromme
Session 1: Substrate Heterogeneities		Session 5: Handling of heterogeneities in up- and downstream processing		09:40	Mähler
10:45	Heins	10:45	Lindmeyer	10:00	Wagner
11:15	DECHEMA Industrial Bioprocess Award 2018	11:15	Martínez Cristancho	10:20	Coffee Break
11:45	Coffee Break	11:45	Wutz	Session 7: Open topic	
Session 2: Mixed cultures and population dynamics		12:15	Lunch Break	10:40	Kornecki
12:15	Burmeister	Session 5: Handling of heterogeneities in up- and downstream processing		11:00	Hümmer
12:45	Hoffmann	13:15	Flassig	11:20	Koop
13:15	Lunch Break	13:45	Blank	11:40	Ihling
Session 2: Mixed cultures and population dynamics		14:15	Nadal Rey	12:00	Stiefelmaier
14:15	Marbà-Ardébol	14:45	Coffee Break	12:20	Closing
14:45	Heyer	Session 6: Modelling of heterogeneities			
15:15	Müller	15:15	Hans		
15:45	Coffee Break	15:45	Möller		
Session 3: Reaction engineering of heterogeneous processes		16:15	Coffee Break		
16:15	Mayr	Session 6: Modelling of heterogeneities			
16:45	Sluyter	16:45	Nieß		
17:15	Stier	17:15	Dietzsch / Hofinger		
17:45	Poster Party				
20:00	Meeting of the working party (members only)	19:30	Conference Dinner		

As of 9 April 2018 - subjects to change
