sponsored by

Wednesday, 14.09.2022

Time	Programme
09:50 – 10:30	Engineering for a sustainable process industry <i>Thomas Harlacher, Puthiran Mayuratheepan (Yncoris)</i>
	 Break
10:45 – 11:10	Expert vs. Audience Quiz <i>with Julia Schüller (BASF)</i>
11:20 – 11:45	5 tips to improve your LinkedIn profile <i>Stefanie Schatz (btS e.V.)</i>
11:50 – 12:15	Responsible engineering: Are we preparing chemical engineers for the challenges of professional practice beyond technical skills? <i>Jarka Glassey (Newcastle University)</i>
	 Break
12:45 – 14:15	ChemCar finals
	 Break
14:45 – 15:10	Among Scientists - Engineers' Opportunities in Life Science Industry <i>Christoph Duttig (Roche)</i>
15:15 – 15:40	New work for engineers <i>Prof. Axel Minten (Cowor AG)</i>
	 Break
16:15 – 17:40	Guided company booth tour <i>meet @ kjVI booth</i>

Thursday, 15.09.2022

Time	Programme
09:00 – 11:00	WORKSHOP 2* 
	 Break
11:30 – 12:10	Your career entry at Bayer as an engineer or scientist <i>Armin Knors, Suzana Lohaus (BAYER)</i>
	 Break
12:30 – 12:55	New ways of collaboration <i>Kai Dadhe (Evonik)</i>
12:55 – 14:00	chemPLANT finals
	 Break
14:30 – 14:55	Funding a Spin-off with your PhD topic? <i>Patrick Bongartz (Biothrust)</i>
15:00 – 15:25	kjVI goodbye + raffle

*registration at kjVI booth

WORKSHOP 1  **Applying for a job in the process industry: How design thinking helps you to get started (Merck)**

WORKSHOP 2  **Let's talk transformation: How to make #fullycircular happen (Covestro)**
