EXHIBITION & SPONSORING OPPORTUNITIES

20 – 23 September 2020

International Congress Centre Dresden · Germany

INTERNATIONAL CONFERENCE ON METAL-ORGANIC FRAMEWORKS AND OPEN FRAMEWORK COMPOUNDS

www.dechema.de/MOF2020

MOF2020

INTERNATIONAL CONFERENCE ON METAL-ORGANIC
FRAMEWORKS AND OPEN FRAMEWORK COMPOUNDS

MOF 2020 sets out to become once more the “place to be” where new developments regarding all facets of novel porous materials, MOFs, COFs, porous polymers, cages and their applications in energy storage and conversion, gas separation and storage, electronics, batteries, sensing etc. will be jointly discussed for mutual benefit.

Since the start of this leading event for chemists, chemical engineers and materials scientists, crystallographers, spectroscopists, the conference has demonstrated a variety of new applications in chemical engineering, chemistry, related disciplines like energy supply, and even more different fields such as analytics, life science and medicine. Yet, as each of the involved disciplines has seen amazing progress, the mission of providing an effective platform for exchange is even more important.

The exhibition is an integral part of MOF 2020 and offers a unique opportunity to promote your technologies, products and services. Manufacturers for characterization and synthesis equipment (adsorption, diffraction, NMR, TEM, in situ methods, high throughput screening, solvothermal synthesis), adsorbent producing companies (MOFs, COFs, polymers etc.), porous materials end-users as well as research institutes are invited to participate in the exhibition. MOF 2020 provides a wide range of sponsorship and exhibition options that can be tailored to your requirements and to suit your budget.

Extensive pre-conference publicity will promote your organisation to the widest possible audience. More than 700 international delegates from across industry and academia are expected to attend the conference in September 2020. This delegate base offers you access to a truly international audience.

Renowned plenary and keynote lectures introduce the topics in a broader perspective.

To discuss the opportunities or book a package, please contact Mrs. Chereén Semrau via email chereen.semrau@dechema.de or phone +49 (0)69 75 64 651 or visit our website.

WHY BECOME A SPONSOR?

- ✓ Network with anticipated 700+ delegates
- ✓ Connect with the decision makers from research and industry in the field of metal-organic frameworks, covalent organic frameworks, porous coordination polymers and other porous materials
- ✓ Enhance your visibility, introduce new products or services
- ✓ Strengthen your network as you build upon existing and generate new relationships
- ✓ Lot's of time for exchange: All coffee and lunch breaks plus a Poster Party on 21 September will take place in exhibition area

CONFERENCE TOPICS

»» **Materials** (Metal-Organic Frameworks, Porous Coordination Polymers, Covalent Organic Frameworks, Porous Polymers, Framework Materials, Zeolite Analogues, Non-Covalent Porous Materials, Porous Molecular Solids, Molecular Cages, Glasses, Nanocomposites, Nanomaterials, 2D-Materials, Surface Chemistry, Thin Films, Core Shell Architectures)

»» **Functions** (Electronics, Sensorics, Batteries, Supercaps, Electrochemistry, Optics, Life Sciences, Photovoltaics, Catalysis, Adsorption, Separation, Energy Storage)

»» **Novel Fundamental Phenomena and Characterisation** (Switchability and Dynamics, Defects and Disorder, Topology and Nets, Advanced Characterisation Techniques, In Operando-Characterisation, Spectroscopy, Microscopy, Magnetism, Modelling and Simulation, Machine Learning, Data Mining, High Throughput Screening, Mechanics, High Pressure Studies)

»» **Industrial Processes** (Upscaling, Shaping, Additive Manufacturing, Process Integration, Storage and Delivery, Gas and Liquid Phase Separation, Chromatography, Energy Storage, Dehumidification, Air Conditioning, Personal Protection, Electronics, Catalysis, Life Science, Healthcare and Food, Sensors and Detection)

PLENARY SPEAKERS

Prof. Xiao-Ming Chen, Sun Yat-Sen University | CHN

Prof. François-Xavier Coudert, Université Paris Sciences et Lettres | F

Prof. Susumu Kitagawa | Kyoto University | J

Prof. Bettina Lotsch | Max Planck Institute for Solid State Research | D

Prof. Martin Schröder | The University of Manchester | UK

Sir Fraser Stoddart | Northwestern University | USA

Prof. Omar Yaghi | University of California, Berkeley | USA

KEYNOTE SPEAKERS

Prof. Rahul Banerjee | Indian Institute of Science Education and Research | IND

Prof. Xian-He Bu | Nankai University | CHN

Prof. Jürgen Caro | Leibniz University Hannover | D

Prof. Deanna D'Alessandro | The University of Sydney | AUS

Dr. Cara Doherty | CSIRO | AUS

Prof. Tina Düren | University of Bath | UK

Prof. Shuhei Furukawa | Kyoto University | J

Prof. Yu Han | King Abdullah University of Science and Technology | KSA

Prof. Jeffrey Reimer | University of California, Berkeley | USA

Prof. Christian Serre | Ecole Normale Supérieure, Paris | F

Prof. Zhiyong Tang | National Center for Nanoscience and Technology | CHN

Prof. Monique van der Veen | TU Delft | The Netherlands

Prof. Hong-Cai Joe Zhou | Texas A&M University | USA

Prof. Xiaodong Zou | Stockholm University | S

COMMITTEES & IMPORTANT DATES

LOCAL ORGANISING COMMITTEE

Prof. Eike Brunner, Technical University Dresden | D
Prof. Xinliang Feng, Technical University Dresden | D
Prof. Roland Fischer, Technical University Munich | D
Prof. Thomas Heine, Technical University Dresden | D
Prof. Stefan Kaskel, Technical University Dresden | D (Chairman)
Prof. Christoph Janiak, Heinrich-Heine Universität Düsseldorf | D
Dr. Dana Medina, Ludwig-Maximilians-Universität München | D
Dr. Silke Megelski, DECHEMA e.V., Frankfurt | D
Prof. Norbert Stock, Christian-Albrechts-University Kiel | D
Prof. Arne Thomas, Technical University Berlin | D
Prof. Christof Wöll, Karlsruhe Institute of Technology, Eggenstein-Leopoldshafen | D

INTERNATIONAL ADVISORY BOARD

Prof. Mark Allendorf, Sandia National Lab, Livermore | USA
Prof. Banglin Chen, University of Texas, San Antonio | USA
Prof. Christian J. Doonan, University of Adelaide | AUS
Prof. Tina Düren, University of Bath | GB
Prof. Mohamed Eddaoudi, King Abdullah University of Science and Technology, Thuwal | KSA
Prof. Susumu Kitagawa, Kyoto University | JP
Prof. Karl Petter Lillerud, University of Oslo | NO
Dr. Philip Llewellyn, Aix-Marseille University | F
Prof. Russel Morris, University of St. Andrews | GB
Prof. Jorge Navarro, University of Granada | E
Prof. Christian Serré, Ecole Normale Supérieure, Paris | F
Prof. Bo Wang, Beijing Institute of Technology/Tsinghua University | CHN

IMPORTANT DATES

14th February 2020	Deadline for Call for Papers
March 2020	Paper Reviewing and Selection Meeting
April 2020	Author Notifications will be send out
May 2020	Conference Programme will be published
20-23 September 2020	7th International Conference on Metal-Organic Frameworks & Open Compounds

MOF SPONSORING PACKAGE 15.000

- one sponsor only
- exhibition space (6 sqm, 1 table, 2 chairs, power supply, WiFi)
- full page advertisement on back cover of the final programme brochure (format DIN A4, full colour)
- a timetabled slot to give a short presentation/demonstration (in a break out room during two refreshment breaks).
- 3 conference tickets and 3 tickets for the conference dinner
- logo with company profile on the MOF2020 website (500 characters) with hyperlink to your website
- logo with company profile in the printed programme (500 characters)
- logo placed on congress banner in registration area: named as MOF Sponsor
- hand out of one flyer and one give away* with delegate documents
- option to register up to 2 additional conference delegates for a reduced rate (each 590 € excl. VAT)

*give away production and supply at the costs of MOF Sponsor

DIAMOND SPONSORING PACKAGE 12.000

- one sponsor only
- exhibition space (6 sqm, 1 table, 2 chairs, power supply, WiFi)
- a timetabled slot to give a short presentation/demonstration (in a break out room during two refreshment breaks).
- full page advertisement in the final programme brochure (inside back cover, format DIN A4, full colour)
- 3 conference tickets included
- logo with company profile on the MOF2020 website (500 characters) with hyperlink to your website
- logo with company profile in the printed programme (500 characters)
- logo placed on congress banner in registration area: named as Diamond Sponsor
- hand out of one flyer with delegate documents
- option to register up to 2 additional conference delegates for a reduced rate (each 590 € excl. VAT)

PLATINUM SPONSORING PACKAGE 9.000

- one sponsor only
- exhibition space (6 sqm, 1 table, 2 chairs, power supply, WiFi)
- full page advertisement in the final programme brochure (inside page, full colour)
- 2 conference tickets included
- logo with company profile on the MOF2020 website (500 characters) with hyperlink to your website
- logo with company profile in the printed programme (500 characters)

EXHIBITION & SPONSORING OPPORTUNITIES

- logo placed on congress banner, named as Platinum Sponsor
- hand out of one flyer with delegate documents
- option to register up to 2 additional conference delegates for a reduced rate (each 590 € excl. VAT)

GOLD SPONSORING PACKAGE 7.000

- exhibition space (6 sqm, 1 table, 2 chairs, power supply, WiFi)
- full page advertisement in the final programme (inside page, format DIN A4, full colour)
- 2 conference tickets included
- logo with company profile on the MOF2020 website (500 characters) with hyperlink to your website
- logo with company profile in the printed programme (half page, full colour, format DIN A4)
- logo placed on congress banner, named as Gold Sponsor
- display of flyer or brochure next to registration desk
- option to register up to 2 additional conference delegates for a reduced rate (each 590 € excl. VAT)

SILVER SPONSORING PACKAGE 5.000

- exhibition space (6 sqm, 1 table, 2 chairs, power supply, WiFi)
- full page advertisement in the final programme (format DIN A4, full colour)
- 1 conference ticket included
- logo with company profile on MOF2020 website (500 characters) with hyperlink to your website
- logo with company profile in the printed programme (500 characters)
- logo placed on congress banner, named as Silver Sponsor
- display of flyer or brochure next to registration desk
- option to register up to 2 additional conference delegates for a reduced rate (each 590 € excl. VAT)

BRONZE SPONSORING PACKAGE 2.500

- 1 conference ticket included
- full page advertisement in the final programme (format DIN A4, full colour)
- logo with company profile on MOF2020 website (500 characters) with hyperlink to your website
- logo with company profile in the printed programme (500 characters)
- logo placed on congress banner, named as Bronze Sponsor
- display of flyer or brochure next to registration desk
- option to register up to 2 additional conference delegates for a reduced rate (each 590 € excl. VAT)
- logo shown on presentation slides in each break

EXHIBITION & SPONSORING OPPORTUNITIES

SPONSORING OF WI-FI LOUNGE 5.000

- one sponsor only
- the Wi-Fi lounges are used extensively
- your sponsorship is experiencing highest attention
- your company logo on the Wi-Fi lounge signs
- Wi-Fi information with your company logo on the tables
- exclusive brochure rack for you

SPONSORING OF CONFERENCE DINNER 8.000

- 2 representatives are invited to attend the conference dinner for an opportunity to further network with the participants
- formal acknowledgement during the dinner and opportunity to respond with a brief speech (5mins)
- logo with hyperlink on MOF2020 website
- logo placed on congress banner for conference dinner
- full page advertisement inside the final programme
- logo placed inside final programme
- logo shown on presentation slides in each break
- logo placed on the dinner menu
- display of information material or give-aways

SPONSORING OF WELCOME RECEPTION 5.000

- formal acknowledgement during the welcome reception and opportunity to respond with a brief speech (5mins)
- logo with hyperlink on MOF2020 website
- logo placed on congress banner for the duration of the welcome reception
- logo placed inside final programme
- logo shown on presentation slides in each break
- display of information material or give-aways

SPONSORING OF POSTER PARTY 4.000

- company visibility during poster party (provided by sponsor)
- logo with hyperlink on MOF2020 website
- logo placed on congress banner for duration of poster party
- logo placed inside final programme
- logo shown on presentation slides in each break
- logo display on each buffet

SPONSORING OF A COFFEE BREAK 2.000

- logo with hyperlink on conference website
- logo placed inside final programme
- logo shown in slides of each break
- logo shown on skewers for canapés (delivered by sponsor)
- logo display on each buffet

DISPLAY OF BOOKS OR BROCHURES 750

- display of one title of brochure, book or flyer on a table within the exhibition and catering area and in the foyer

SPONSORING OF A PLENARY LECTURE 2.000

- moderation of the lecture of a plenary speaker
- plenary lecture is branded with the company name with “sponsored by” in the programme brochure
- logo shown in slides of each break
- logo shown on presentation slides in each break
- logo placed on the congress banner “Sponsors & Exhibitors”

SPONSORING OF A KEYNOTE LECTURE 1.000

- moderation of the session with a lecture of a keynote speaker
- session is branded with the company name with “sponsored by” in the programme brochure
- logo shown on presentation slides in each break
- logo placed on the congress banner “Sponsors & Exhibitors”

SPONSORING OF YOUNG SCIENTIST AWARDS 2.000

- logo placed on the certificate
- handover of the certificate to the awardee
- logo with hyperlink on conference website
- logo placed inside final programme
- logo shown on presentation slides in each break
- logo on the congress banner „Exhibitors and Sponsors“

STANDARD EXHIBITION PACKAGE 2.500

- exhibition space (6 sqm, 1 table, 2 chairs, power supply, WiFi)
- 1 representative at the stand included
- logo with company profile on the MOF2020 website (500 characters) with hyperlink to the company website
- logo in the printed programme brochure
- logo on the congress banner „Exhibitors and Sponsors“
- option to register up to 2 additional conference delegates for a reduced rate (each 590 € excl. VAT)

All prices are quoted in EURO excluding VAT

All these packages can be customized. And if you would like to sponsor lanyards, conference bags, pens or give aways, please contact us for an individual offer.

You can also directly book an offer on our website <https://dechema.de/MOF2020>

Dresden – A historical location with a huge innovation landscape

The city of Dresden will provide a stimulating atmosphere for MOF2020. With a strong focus on materials science, TU Dresden, Dresden Concept, and its research arena driven by numerous Fraunhofer, Max Planck, and Leibniz Institutes, and a Helmholtz Research Center, Dresden serves as an inspiring landscape to make new connections in industry and science. Enjoy the historical ambience of Dresden, famous for art and architecture!

„Florence at the river Elbe“ – Culture and Sightseeing Options

The range of art and culture Dresden is offering, includes some of the world's greatest cultural monuments. The historic city centre on the river Elbe should be explored on foot: From the Zwinger and Semper Opera House to the Royal Palace next to Taschenbergpalais, on to the Frauenkirche to Brühl's Terrace and to Augustus Bridge.

International Congress Center Dresden – Modern architecture meets state-of-the-art conference facilities

The terrace-style International Congress Center Dresden (ICD) benefits from both state-of-the-art conference facilities and enviable location. Enjoying a prime spot on the banks of the river Elbe upstream from the neighboring state parliament, the facility is considered one of Europe's most modern congress centers. Its various halls and rooms are spread over four levels and can accommodate up to 6,000 visitors.

The ICD is located in a tranquil spot right on the banks of the Elbe and only a few minutes walk from the attractions of the historic old city. It offers a breathtaking panoramic view over the river Elbe.

The exhibition hall will be situated as on the same floor as the main plenary room and two other conference rooms. There will be space for up to 15 exhibitors and 400 Posters. The catering will be offered in the same area. More information about the exhibition plan will be available on the website <https://dechema.de/MOF2020>

Address:
International Congress Centre Dresden
Ostra-Ufer 2
01067 Dresden
