

Announcement of the PAT Award for Young Scientists sponsored by Knick

The German Working Group "Prozessanalytik" in cooperation with Knick Elektronische Messgeräte GmbH & Co. KG will award the 8th Knick Process Analytics Award to a young scientist for an outstanding publication in the field of Process Analytics. The prize is endowed with 3.000 €. The EuroPACT 2023 award committee will select the winner and hand over the Award at the Europact 2023 in Copenhagen, 07-10 May 2023.

Applicants should be the main contributing author of a paper printed or accepted for publication in an international peer-reviewed journal in 2021, 2022 or 2023. They should be no older than 30 years of age. Applicants may apply individually, or they can be recommended by another scientist.

Applications or recommendations should be submitted in electronic form (preferably PDF) by 8th April 2023 and should include a copy of the paper, a CV, a brief description of the scientific contribution, and the reasons why the candidate merits the award.

All applications should be sent by email to the following address:

tobias.eifert@covestro.com

Further information regarding the conference is available via the event website:
