

Announcement of the PAT Award for Young Scientists sponsored by Siemens

The German Working Group "Prozessanalytik" in cooperation with Siemens will award the 7th Siemens Process Analytics Prize to a young scientist for an outstanding publication in the field of Process Analytics. The prize is endowed with 3.000 €. The EuroPACT 2021 award committee will select the winner and hand over the Award at the virtual Europact 2021, 15-17 November 2021.

SIEMENS

Applicants should be the main contributing author of a paper printed or accepted for publication in an international peer-reviewed journal in 2020 or 2021. They should be no older than 30 years of age. Applicants may apply individually, or they can be recommended by another scientist.

Applications or recommendations should be submitted in electronic form (preferably PDF) by 28th October 2021 and should include a copy of the paper, a CV, a brief description of the scientific contribution, and the reasons why the candidate merits the award.

All applications should be sent by email to the following address:

tobias.eifert@covestro.com

Further information regarding the conference is available via the event website:
