## EFCE

EFCE-Event-Nr. 751

# INVITATION

ISIC 21 cordially invites scientists and engineers from academia and industry to present and discuss new developments in crystallization research and their application in industry.

## PAPER SUBMISSION

Abstracts for posters and lectures are welcome to all aspects of crystallization with a focus on the following main topics:

- » Fundamentals of crystallization
- » Crystallization and precipitation in fine chemical, specialty & life-science industries
- » Developments in large scale industrial crystallization
- » Contributions of crystallization to sustainability
- » Integrated process design: Crystallization in the industrial process chain

**Deadline for paper submission:  
29 January 2021**

## COMPANY PRESENTATION

Exhibitors and sponsors are very welcome. To discuss the opportunities or book a package, please contact Andrea Köhl (andrea.koehl@dechema.de) and visit our website [www.dechema.de/ISIC\\_2021](http://www.dechema.de/ISIC_2021).

## LOCAL ORGANISING COMMITTEE

<b>Heike Lorenz</b>	MPI for Dynamics of Complex Technical Systems, Magdeburg/D (Chair)
<b>Matthias Rauls</b>	BASF SE, Ludwigshafen/D (Co-Chair)
<b>Andreas Seidel-Morgenstern</b>	MPI for Dynamics of Complex Technical Systems and Otto von Guericke University, Magdeburg/D (Co-Chair)
<b>Christian Melches</b>	GEA Messo GmbH, Duisburg/D
<b>Manfred Stepanski</b>	Sulzer Chemtech Ltd, Winterthur/CH
<b>Stephanie Geyer</b>	MPI for Dynamics of Complex Technical Systems Magdeburg/D

## VENUE

Kongress-Hotel Potsdam am Templiner See  
Am Luftschiffhafen 1  
14471 Potsdam/Germany  
[www.kongresshotel-potsdam.com](http://www.kongresshotel-potsdam.com)

## ORGANISER

DECHEMA e.V.  
Theodor-Heuss-Allee 25  
60486 Frankfurt am Main  
Germany
