### TECHNICAL INFORMATION (PRINTING AND WEB)

Logo files for print have to be sent in EPS format.

Logo files for web have to be sent in GIF or JPG format.

### REGISTRATION FOR EXHIBITORS/SPONSORS

Booking is possible as long as free capacity is available. Nevertheless please note, the exhibition and sponsoring packages will be remitted on a first come first serve basis.

**Please contact the congress office for further details.**

### CANCELLATION POLICY FOR EXHIBITORS AND SPONSORS

Cancellations up to 3 months before the conference are subject to a 20% of package price as administrative fee. If cancellation is made at a later date, the sponsor/exhibitor is charged a fee of 100%. Cancellations are only accepted in writing (i.e. by fax, surface mail or email). The relevant cancellation date is the date of receipt. If a sponsor/exhibitor does not come to the conference or leaves before its end, the full fee remains payable, unless the sponsor/exhibitor provides written proof in a specific instance that the loss or expenses are lower.

### IMPORTANT DATES

## INVITATION FOR SPONSORING AND EXHIBITION

The focus of the 14<sup>th</sup> EURADH in combination with 7<sup>th</sup> WCARP is on sustainability, durability and industrial applications, in addition to all other aspects of adhesive bonding and adhesion. EURADH and WCARP are the European and World scientific conferences on adhesion and adhesive bonding technology, which are held together this time.

The exhibition is an integral part of this international conference. It offers a unique opportunity to showcase your technologies, products and services. You are invited to participate in the exhibition and to come into contact with young scientists as potential collaborators and partners. We are pleased to offer a wide range of sponsorship and exhibition options that can be tailored to your needs and budget.

Extensive pre-conference promotional activities will make your company accessible to the widest possible audience. More than 180 international delegates from across industry and academia are expected to attend the conference in September 2023.
